c) po stworzeniu konta, możemy przystąpić do tworzenia webquestu:

Create WebQuest

- Click the sections on the left menu and enter your content for each in the text editor on the right.
- The text editor has a button for creating tables which will work for creating rubrics for the "evaluation" section.
- You can not upload media to CreateWebquest.com's server. Your media must be hosted elsewhere (YouTube, Imgur, etc.)
To add externally hosted images, video, and other media, click the button that says "Insert Media Embed" when hovering over a URL to a page on a media hosting service. [Supported Media Vendors are listed under "Supported Sites" here.](#)
Or you can click the "Source" button and enter HTML code to embed an image using the img element.
- You must click **SAVE** at the bottom of the page or your work will be lost!
